Staff Learning

Professional Learning opportunities are provided for both teaching and non-teaching staff. The Staff Development Program has been compiled to include support and growth in the following three areas:

Educational

- + Undertaking of the annual government legislated accountable training sessions and the Lutheran Church of Australia (LCA) mandated training sessions

Theological

- + Participation in regular worship and spiritual development workshops
- + Staff Professional Development including units from the 'Connect' program
- + Encouragement for teaching staff to undertake the Graduate Certificate in Theology in Education

Personal

- + Undertaking the development of a personal folio for Professional Development programs

Our Community

Lutheran schools in Queensland understand the important role parents play in the education of their children. Without a supportive home environment, the capacity of schools to maximise each child’s learning is limited. When teachers, parents and the community work together to support each child, the child thrives.

There are many ways that parents can assist their children to be successful in their learning journey within a Lutheran school.
